NOTICE TO DONORS

• Have you been diagnosed with or are being tested for the COVID-19 virus?
• Have you been within 6 feet of someone with or being tested for the COVID-19 virus in the last 28 days?
• Do you have a fever, cough or shortness of breath?

If you answered yes to any of the above, please do not donate today.

Call 800-747-5401 or text us at 999-777 and we will determine when you will be eligible to give blood.

Visit www.bloodcenter.org for more information.
